**Junior Tennis Camp**

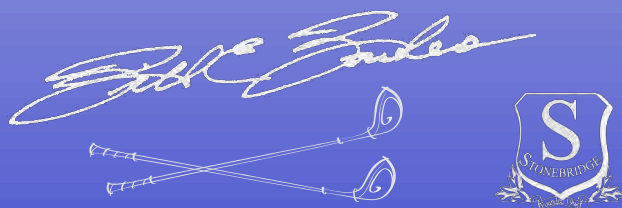

The month of June was very enjoyable. We have all enjoyed seeing the youth enjoy the club while they are out for summer break. The youth Tennis and Golf camps have been fun for all who participated. The pool has been active and the sound of laughter all around the pool deck makes us smile every day. Father's Day brunch was very busy. THANK YOU to everyone who enjoyed this special day at the club. Our TEAM has continued to work hard every day, and we always will.

We have seen several more improvements around the club during the month of June. The fitness center is the proud home of 4 new treadmills and 2 new very large mirrors. We hope everyone enjoys these additions. The work around the tennis courts has continued. The hard work around the golf course continues every day. Our annual Member- Member Golf Tournament was enjoyed by 68 golfers and everyone else who watched this fun tournament. We hope that you have noticed the lawn and landscape maintenance at both entrances and around the clubhouse and pool area. We still have work to do on a few of the common areas around the club such as the fence on the Eight Mile Road and the roof of the clubhouse. This work is being scheduled during the month of July.

I would like to take a moment to say thank you to all of our members who have taken their time to call, e-mail, or speak with me at the club. Tonya and I are so glad to be back at Stonebridge with you. Your support and kind words are much appreciated over these past 8 weeks. Some members have also taken time to make suggestions and have shared constructive criticism. Please know that this is never taken as a negative by me. Rather it is welcomed so that we can ensure we are on track with our efforts. We have also received so many positive comments of understanding and support of the few modest dues adjustments that were necessary. THANK YOU.

We are looking forward to seeing everyone enjoy the month of July at the club. Thank you for being a member of the Stonebridge family. We are proud to be your TEAM !!
